

Building Compliance without Complexity

## Class 2 & Class 3 Registered Building Inspectors

### Essex, Kent, South East & South West

Supported by our offices in Cambridge, West Malling & Bristol.

As a key member of our team of Registered Building Inspectors focusing on South East England, this role offers the opportunity to develop your client relationship skills and receive structured training to develop professionally.

Enjoy the autonomy to contribute significantly to various schemes while benefiting from collaboration with like-minded colleagues. This position provides an exciting blend of responsibility, teamwork and job satisfaction.

**Salus are a leading Registered Building Control Approver who have been providing a trusted and dynamic building control solution for over 20 years.**

Your innovative ideas will enrich our vision, your in-depth expertise will inspire your team, and your strategic decisions will elevate the success of our clients' construction projects. In return we offer:

### **\*£10k Golden Hello\***

- **Competitive salary. Up to £79,000**
- **31 days annual leave + bank holidays**
  - **Pension scheme**
- **£4,800pa Car allowance plus 45p per mile for your own vehicle**
  - **£7,800 via Salary Sacrifice with our hybrid / electric car scheme**
  - **Payment of 2 professional fees**
- **Excellent Career Progression opportunities**

We actively support you in achieving a good work life balance and are able to offer you the flexibility of home working or the provision to be based out of a fully supported local office.
