

Following our move to become an Employee-Owned Trust we have restructured our leadership team while seeing a continued increase in demand for our service. **As a result, we are seeking to appoint an Registered Building Inspector (RBI) to our senior management team and more RBIs to our regional teams.**

## Associate Director Vacancy Hinckley Office

We are looking for an experienced **Registered Building Inspector** for this unique opportunity to take on a **dual leadership and operational role**, combining strategic involvement at senior level with team management and hands-on delivery for a portfolio of clients.

As a key member of our **Senior Management Team**, you will play an important role in shaping and delivering our **Building Control, Fire Safety, and allied consultancy services**, while leading and managing a team of skilled professionals.

**Importantly, we are committed to developing leaders within our business and aim to appoint future Company Directors from our Senior Management Team.**

### Key Responsibilities

- Contribute to the leadership and strategic direction of the business as part of the Senior Management Team
- Manage, support, and develop a team of Registered Building Inspectors based at our Hinckley (Leicestershire) office
- Ensure consistent delivery of high-quality Building Control and consultancy services
- Oversee operational performance, workload allocation, and team development
- Act as the Registered Building Inspector for your own portfolio of clients and projects
- Build and maintain strong relationships with clients, partners, and industry stakeholders

### About You

- Registered Building Inspector at Class 3G/H
- Strong experience in Building Control
- Proven team management or leadership experience
- Commercially aware with a client-focused approach
- Excellent communication, organisational, and decision-making skills
- Ability to balance strategic input with hands-on technical delivery

### What This Role Offers

- A senior leadership role with genuine influence over business growth and direction
- Opportunity to lead and develop a high-performing team
- Professional development and career progression opportunities

## Registered Building Inspector Vacancies

We are also seeking Registered Building Inspectors to join our growing team and are keen to hear from applicants who are looking to move into a role within a new organisation that is similar to their current one, as well as those who may not be ready for a senior position but are ambitious and motivated to progress through the RBI classifications or into future leadership roles.

We have roles **throughout the country**, particularly for:

- **Class 3 (or class 2F looking to increase to class 3) RBIs in Birmingham and East London,**
- **Class 2F RBIs in Essex, Mid/North Buckinghamshire and along the M23/A23 corridor, and**
- **Class 2D RBIs in Oxfordshire**

You will manage your own portfolio of clients and inspections working alongside an experienced team of RBIs and managers.

### What makes these opportunities different?

We are committed to supporting our staff whatever their career goals; developing talent from within and actively support career progression – with a clear route into senior management and future leadership roles for those that want to follow this path.

Salus is a friendly, professional, employee-owned company, run by experienced Registered Building Inspectors for the benefit of its people. We are a highly respected Registered Building Control Approver with many long-serving staff, offering a collaborative environment where employee contributions are valued and rewarded through shared success.

For an informal conversation regarding both of these opportunities please contact:

**Steve Cooper – Director**  
M: 07500 776 358

### Ready for a new challenge?

Send your CV to:  
**recruitment@salusai.co.uk**

Full-time and part-time roles available (4-5 days per week).
